

## **Extreme Weather Policy**

Casey Panthers Soccer Club follows the extreme weather policy of Football Victoria.

Highlights of this policy include:

- Heat: For Matches: if the forecast maximum temperature on the day before a match is 36 degrees or above, postponement of fixtures should be considered. For Training Days: (only applies to teams up to and including U16) sessions should be cancelled if the temperature during the training session exceeds 36 degrees
- Hail: All outdoor activity should be suspended during hail storms so that players and officials can seek suitable shelter
- Lightning: If the time between lightning flash and thunder sound is less than 30 seconds, any outdoor activity will be suspended and not resumed until 30 minutes after the last thunder storm
- Cold: Minus 2 degrees is the point where play will be suspended for wind chill factor
